

MOKI'S LAWS! (MURPHY'S HAWAIIAN COUNTERPART)

- *If at first you don't succeed, quit before you make "A".
- *When all else fails, say you're a tourist.
- *Clouds always have a way of following you to the beach.
- *A luau is when pig is served and made of oneself.
- *In Hawaii the extended family could include half the island.
- *The best waves for surfing will always break when you are in school.
- *The poi dog you got free from a friend will always be smarter & cuter at their house.
- *The only good pidgeon is one that can't fly higher than your head.
- *There is always one more cockroach.
- *A mango a day might not keep the doctor away, but that's one way to get rid of them.
- *The ume will always be in the last corner of your musubi.
- *The kim chee you ate 3 days ago will always resurface while you're on that important date.
- *Just when you think you have met the girl of your dreams, her 5 older brothers tell you otherwise.
- *The guy you're crazy about will always ask you out on a night you have to go to a family outing.
- *Formal wear in Hawaii is a long sleeve tee shirt & rubber slippers that don't smell.
- *When in doubt, talk pidgin; when in trouble, talk Hawaiian.
- *When there is a long line at the disco & you want to impress your date, the doorman you know will have called in sick.
- *On the day you start your diet, someone will bring a bag of malasadas to the office.
- *The best way to catch up on old friends, is to shop weekly at Longs.
- *The page you need in the public telephone book will always be missing.
- *The place to find a Tongan during the day is in a tree.
- *Bad luck is an asthmatic caught behind a bus in rush hour traffic.
- *The guy you'd least like to dance with will always approach you when a slow song is playing.
- *You know its time to leave the disco when the best looking men are the bouncers & the best looking women are the waitresses.
- *Life is what your parents let you make of it.
- *Whoever invented saimin must have also invented Spam.
- *If an invitation says dinner at 6pm (Hawaiian Time), you can safely assume they mean 7:30pm.
